**CURRICULUM SCOPE & SEQUENCE**

# God's Kids

THIS VIDEO-DRIVEN CURRICULUM IS:

***Biblically Grounded***

***Christ-Centered***

***Easy to Use***

***Fun***

God's Kids is a three-year curriculum for elementary and preschool kids that will help you disciple the children in your church. We all want kids to know, love, and follow Jesus. Every lesson in God's Kids is biblically grounded and will teach kids something about God's story, God's character, or God's family.

Every series in this curriculum will thematically fall into one of three main categories:

## ***God's Story***

***God's Story*** helps kids see the good news of Jesus throughout the Bible. These lessons show that God's story is true and trustworthy. Kids learn not just Bible stories but Jesus's story by seeing him in each lesson.

## ***God's Character***

***God's Character*** teaches kids about the greatness and goodness of God, his holiness and love, his grace and his truth. Kids learn that they can trust God with their whole lives and for their whole lives.

## ***God's Family***

***God's Family*** shows kids how, as Christians, they belong to the church, how God's people act, and how to love others. These lessons teach kids that their family is in Christ, that they aren't alone in this world, and how to live as God's people of God.
